Cats, dogs, hens, foxes, lions, tigers, even lemurs—this character-filled collection, curated by Brooklyn-based artist and illustrator Happy Menocal, features one hundred animal postcards from ten celebrated artists: Katharine Barnwell, Ben Giles, David Howell, Charlotte Linton, Geoffrey Martin, Menocal, Alice Pattullo, Sirichai, Adrien Vermont, and Kazumi Yoshida. The colorful cards, in our popular postcard box format, are ideal for correspondence, display, or a little company. A booklet about the artists highlights their creative processes, influences, and favorite creatures.
